## 7" x 12" horizontal metal cutting bandsaw

**Horizontal or vertical cutting.** Automatic shut-off. Coolant system with built-in tank and pump. Adjustable hydraulic down feed control. 4 blade speeds: 86, 132, 178 and 260 fpm. 1 HP motor.

90-790 M1

**\$3,269.99**

reg. \$3,980.00

## 9" x 16" horizontal metal cutting bandsaw

**One-piece heavy-duty thick steel upper frame.** Welded one-piece base made of high-quality steel with built-in coolant tank and recovery tray. Adjustable hydraulic down feed control. 4 blade speeds: 82, 132, 170 and 235 fpm. 1 1/2 HP motor.

## Electronic variable speed drill press

**Front mounted digital spindle speed display.** Electronic variable speed control adjusts spindle speed from 150 to 3000 rpm. Forward/reverse tapping system. Large base with built-in coolant tank. 2 HP motor.

75-915T M1

**\$3,149.99**

reg. \$4,100.00

## Distributed by:

## 11" x 26" Variable speed metal lathe with stand

**26" distance between centers.** Digital speed display. Pulley case and chuck guard both equipped with auto shut-off safety switch. Low voltage transformer. Full length lead-screw cover / guard for operator safety. Easy change variable speed (50 - 2150 rpm). 2 HP motor.

25-365 M1

**\$4,999.99**

reg. \$5,825.00

**Line interrupter switch**  
Requires machine re-start in case of power failure or circuit interruption.

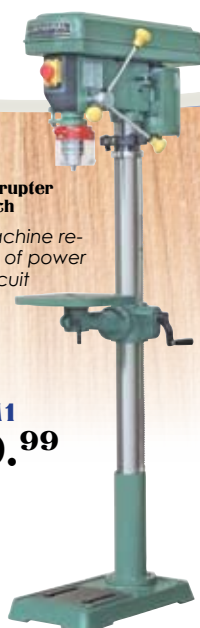

**Line interrupter switch**  
Requires machine re-start in case of power failure or circuit interruption.

Large front mounted paddle style stop switch with lock-out safety feature.

reg. \$1,270.00

## 14" drill press

**5/8" chuck with key, laser line marker & see-through chuck guard included.** Rotating, 45° tilting, crank-operated worktable with quick release clamp. Built-in lamp illuminates the drilling area (bulb not included). 12 spindle speeds: 280 to 3000 rpm. 1/2 HP motor.

## 16" drill press

**5/8" chuck with key, laser line marker & see-through chuck guard included.** Rotating, 45° tilting, crank-operated worktable with quick release clamp. Built-in lamp illuminates the drilling area (bulb not included). 12 spindle speeds: 280 to 3000 rpm. 1/2 HP motor.

## 22" drill press

**3/4" chuck with key, laser line marker & see-through chuck guard included.** Rotating, 45° tilting, crank-operated worktable with quick release clamp. Built-in lamp illuminates the drilling area (bulb not included). 12 spindle speeds: 120 to 2270 rpm. 1 HP motor.

75-880 M1

**\$4,999.99**  
reg. \$6,200.00

## Geared head milling / drilling machine

Head swivels 360° and tilts up to 30° left and 90° right for angle drilling, milling, slotting and more. Magnetic safety switch with forward/reverse controls. 6 spindle speeds: 60, 130, 230, 450, 800 & 1500 rpm. See-through chuck guard with safety interlock and safety limit switches. 1 1/2 HP motor.

### Optional cabinet stand

**75-885**  
**\$239.99**  
reg. \$350.00

60-250 M1

**\$2,099.99**  
reg. \$2,600.00

## 12" slow speed cold cut saw

Blade speed: 52 rpm - ideal for cutting ferrous materials. Miter stops at 90°, 45° left or right. Coolant pump system with high volume tank. Magnetic switch with overload protection. 2 1/2 HP motor. Blade not included.

60-350 M1

**\$4,169.99**  
reg. \$5,900.00

## 14" variable speed cold cut saw

Variable blade speed: 24 to 120 rpm - ideal for cutting ferrous materials. Miter stops at 90°, 45° left or right. Coolant pump system with high volume tank. Magnetic switch with overload protection. 3 HP motor. Blade not included.

### 4" Drill press vise

95-140  
**\$24.99**  
reg. \$28.00

### 4" cross vise

95-400  
**\$64.99**  
reg. \$90.00

### 6" industrial bench vise

Heavy-duty casting (45 000 P.S.I.)

95-860  
**\$249.99**  
reg. \$360.00

### LED work light with magnetic base

99-250  
**\$49.99**  
reg. \$89.00

70-520  
**\$79.99**  
reg. \$99.00

### 52 piece clamping kit

90-810  
**\$139.99**  
reg. \$185.00

### Heavy-duty roller stands with 2000 lb load capacity

Heavy-duty cast-iron and steel construction. Chrome-plated ball bearing roller. Adjustable height (23 1/2" to 38 1/2").

90-805  
**\$132.99**  
reg. \$180.00

### 12" x 180D hi-speed steel blade

60-255  
**\$224.99**  
reg. \$330.00

### 14" x 120D hi-speed steel blade

60-355  
**\$244.99**  
reg. \$360.00
